ACM, the Association for Computing Machinery, is the premier global community of computing researchers, educators, practitioners and students. We are the leaders and experts who are defining what computing can and should do. We see a world where computing helps solve tomorrow's problems – where we use our knowledge and skills to advance the computing profession and make a positive social impact throughout the world.

Membership Options	Yearly Rate
ACM Student Membership	❑ $19
ACM Student Membership + ACM Digital Library Subscription	❑ $42
ACM Student Membership + Print CACM Magazine	❑ $42
ACM Student Membership with Digital Library + Print CACM Magazine	❑ $62

❑ **Join ACM-W:** ACM-W supports, celebrates, and advocates internationally for the full engagement of women in computing. Membership in ACM-W is open to all ACM members and is free of charge.

Student Membership Benefits

Timely access to relevant information

- Online subscription to *Communications of the ACM*, the essential source for computing professionals
- Subscription to *XRDS: Crossroads*, ACM's magazine by and for students
- Optional subscription to the **ACM Digital Library**, with full-text articles from all ACM publications and bibliographic data from the major publishers in computing
- Optional subscription to any of **ACM's more than 60 journals and magazines** at special member-only rates
- *Student Quick Takes*, a quaterly newsletter geared specifically to the needs of student members
- *TechNews*, tri-weekly email digest delivering stories on the latest IT news

Resources to enhance your career

- **ACM Learning Center** for lifelong learning tools and resources
- **ACM TechTalks** – webinars featuring renowned speakers on today's hottest topics in computing
- **ACM ByteCast** – podcast interviews with innovators at the intersection of computing research and practice
- Access to the **ACM Career & Job Center**, to view and apply for top technology jobs, post resumes, create and receive job alerts, and more
- The option to join **37 Special Interest Groups** on all areas of computing
- Discounted registration fees to attend **ACM Conferences** and conference volunteering opportunities
- *CareerNews*, twice monthly email digest providing career-related topics
- The opportunity to join **ACM local Chapters and Meetups** world-wide – meet other computing professionals and attend seminars and lectures by experts in the field

Communications tools and benefits

- *MemberNet*, monthly e-newsletter covering ACM people and activities
- *Ubiquity*, ACM's opinion magazine and forum
- **Email Forwarding Address & Filtering Service** providing members with a free acm.org email address and spam filtering
